地域をつなぐ 世界をつなぐジャパンフェア!

Connecting the communities and the world
Your support is needed more than ever

With your participation and support, we are able to make this event free to the public, lower booth fees for art/culture exhibitors, and provide free spaces for many display tables.

The two-day weekend event is filled with various workshops showcasing traditional to modern art and culture of Japan, featuring eye-popping performances and shows on the stage. It's all indoors, barrier-free, and in a safe setting in the heart of Bellevue, at the Meydenbauer Center.

Thank you for your continued support in connecting communities and the world through traditional and modern Japanese art and culture.
